Species			NS																									
Rhodophyta indet																				P								
Filamentous red algae	P	R		P			P		P	P	P							P	P			P	P					
Corallinaceae indet																				P								
Calliblepharis ciliata																											P	
Ceramium sp																											P	
Chondrus crispus																				P								
Phaeophyta indet																				P								
Ulva lactuca																				P								
Filamentous green																											P	
Porifera indet								O	R									R								O	F	P
Dysidea fragilis																										R		
Esperiopsis fucorum								R										R									P	
Myxilla sp		O																										
Myxilla incrustans								O				R						R										
Myxilla rosacea																			O									
?Halichondria panicea																										R	R	P
Halichondria sp																												
Halichondria bowerbanki																										O	R	
Hymeniacion perleve																											P	
Halisarca dujardini																											P	
Polymastia mamillaris																												P
Suberites ficus																											R	
Haliclona sp																												
?Pseudosuberites sulphureus																										R		
Urticina felia	R																	R								F	F	F
Sagartia elegans																										R	F	P
Sagartia troglodytes																										R	P	
Hydroid indet							R							R									R	R				
Kirchenpauria pinnata																										R	P	
Halecium sp								F					O		R	O												
Nemertesia antennina								O																		R		
Sertularia cupressina																												
Sertularia sp																												P
Serpulid indet				C								R											R					
Pomatoceros ?triqueter/sp.	P	O		P	P	R	C	A	C	R	A	R	O	F	F	O	R	R	F	R	R	F	C			C	P	C
Sabellaria spinulosa	O			O	C		C	C	R	C	R	R	C	R	O	O	R	R			A	R	C					
Lanice conchilega			R					R	R		A					R		R	R		R		R					C
?Chaetopterus varipedatus																												P
Terrellidae indet																										F	P	
Sabellidae indet																											P	
Nephtys sp.												R																
Polynoididae indet																								R				
Polyplacophora indet																							R					
Prosobranch indet.							R																					
Trivia monacha																												P
Gibbula sp	P			R				R	R							R			R	R	R							
Gibbula cineraria																										O	F	
Hinia reticulata	P																									R	P	O
Calliostoma zizyphinum				R	R			R								R		R								C	C	C
Buccinum undatum								R																		C	R	
Ocenebra erinacea																			R				R			F
