### STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2019

The strategic report for the year ended 31 March 2019 has been prepared in terms of Section 414C of the Companies Act 2006.

Greensands (UK) Limited (Registered No. 06366235) is incorporated in the United Kingdom and was established to complement the activities of the other companies in the Greensands Holdings group. The company continues to act as a holding company for Greensands Junior Finance Limited and Southern Water (Greensands) Financing Plc.

The company did not trade during the year, and there is no intention for it to trade in the future, however it will continue to act as a holding company for Greensands Junior Finance Limited and Southern Water (Greensands) Financing Plc. The company's activity was in relation to financing the Greensands Holdings group.

#### KEY PERFORMANCE INDICATORS

Greensands (UK) Limited acts as an intermediate holding company for the group and as such does not have any KPIs as an individual company. KPIs are monitored at the group level and are disclosed in the consolidated financial statements of Greensands Holdings Limited which may be obtained from the Company Secretary at Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX.

Given the limited activity of the company, additional information can be found in the directors' report, which describes the business model and strategy employed by the company. The report also includes a review of the company's performance during the year, insight on future developments and information about the principal risks and uncertainties facing the company. As a result, no further information is included in this strategic report.

Approved by the Board and signed on its behalf by.

### DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019

The directors of Greensands (UK) Limited (Registered No. 06366235) present their annual report and audited financial statements for the year ended 31 March 2019.

The directors, in preparing this directors report, have complied with s414C of the Companies Act 2006.

#### PRINCIPAL ACTIVITIES

The principal activity of the company continued to be that of an intermediate holding company for the subsidiary undertakings disclosed in note 8 to the financial statements.

#### REVIEW OF THE BUSINESS, RESULTS AND DIVIDENDS

The company acted as a holding company during the year.

The company did not trade during the year, and there is no intention for it to trade in the future, however it will continue to act as a holding company for the subsidiary undertaking disclosed in note 9.

During the year the company received no dividends (2018: £nil) from its subsidiaries, had interest payable of £134.0m (2018: £119.4m) and interest receivable of £134.0m (2018: £119.4m).

The company generated a loss before taxation of £574.0m during the financial year (2018: £nil). The significant loss this year has been caused by recognising an impairment loss of £574.0m in relation to the company's investment in its subsidiary, Greensands Junior Finance Ltd (GSJF) and also its intercompany receivable due from GSJF. Please see note 6 for further details.

The directors do not propose payment of a final dividend for the year ended 31 March 2019 (2018: £nil).

The company has net liabilities of £575.9m (2018: £1.9m) comprising largely of amounts owed by group undertakings of £1,673.3m (2018: £2,112.3m) and amounts owed to group undertakings totalling £2,249.3m (2018: £2,115.3m). The company's investment in subsidiary companies has been reduced to £0.1m (2018: £1.1m) following the recognition of the impairment provision as detailed in note 6.

The company is party to an agreement with Greensands Europe Limited, to which it owes a debt of £2,136.3m (2018: £2,002.3m) setting the interest rate effective on this facility as 6.49% (2018: 6.16%) for the year ended 31 March 2019. Further, this agreement states that for the year ending 31 March 2020 and for the 12 months following the date these financial statements are signed the rate effective can be between 0.0% and 18.0%.

The company is party to an agreement with Greensands Junior Finance Limited, from which it is owed a debt of £2,245.0m (2018: £2,111.0m) setting the interest rate effective on this facility as 6.17% (2018: 5.84%) for the year ended 31 March 2019. Further, this agreement states that for the year ending 31 March 2020 and for the 12 months following the date these financial statements are signed the rate effective can be between 0.0% and 18.0%.

#### PRINCIPAL RISKS AND UNCERTAINTIES

The principal risk that the company is exposed to is the occurrence of events that would result in an impairment to the value of its investment in Greensands Junior Finance Limited or Southern Water (Greensands) Financing Plc and the recoverability of its intercompany debt. Ultimately this is reliant on cash funds being available at Southern Water Services Limited to support the group.

The directors are confident that these risks are mitigated by the use of effective risk management policies employed by Southern Water Services Limited. For further details regarding these policies please refer to the strategic report of Southern Water Services Limited.

#### GOING CONCERN

The directors have received confirmation that its ultimate parent undertaking, Greensands Holdings Limited, intends to support the company for at least one year after these financial statements are signed and accordingly believe that preparing the financial statements on the going concern basis is appropriate.

#### FUTURE DEVELOPMENTS

The directors expect the general level of activity to remain consistent with 2019 in the forthcoming year, however there maybe wider economic factors, such as the UK's anticipated departure from the European Union, which could affect future company dealings.

#### EVENTS AFTER THE STATEMENT OF FINANCIAL POSITION DATE

There are no significant events after the statement of financial position date to report.

## GREENSANDS (UK) LIMITED

### DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019 (continued)

#### DIRECTORS

The directors who held office during the year and up to the date of signing the financial statements, unless otherwise stated, were as follows:

A Gilbert  
B Goodwin      Alternate director to A Gilbert  
P Hedley  
S Howard  
B Some  
R Wall

#### DIRECTORS' INDEMNITIES

The company maintains liability insurance for its directors and officers, which is also maintained for the directors and officers of its holding companies and fellow subsidiaries. Following shareholder approval, the company has also provided an indemnity for its directors and the company secretary, which is a qualifying third party indemnity provision for the purposes of the Companies Act 2006. An indemnity has also been provided for the directors and company secretaries of the company's holding companies and fellow subsidiaries.

#### DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019 (continued)**

**STATEMENT OF PROVISION OF INFORMATION TO AUDITOR**

Each of the persons who is a director at the date of approval of this report confirms that:

- (1) so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- (2) each director has taken all the steps that he/she ought to have taken as a director in order to make him/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

**INDEPENDENT AUDITOR**

Deloitte LLP have indicated their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed reappointed as auditor in the absence of an Annual General Meeting.

Approved by the Board of Directors and signed by order of the Board.

## GREENSANDS (UK) LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

#### 1 Accounting policies

##### Basis of preparation

Greensands (UK) Limited (the Company) is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The address of the Company's registered office is shown on page 1. The nature of the company's operations and its principal activities are set out in the directors' report on page 3.

The company meets the definition of a qualifying entity under Financial Reporting Standard 100 (FRS 100) issued by the Financial Reporting Council (FRC). Accordingly, these financial statements were prepared in accordance with FRS 101 'Reduced Disclosure Framework' incorporating the Amendments to FRS 101 issued by the FRC in July 2015 and the amendments to Company law made by The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015. The principal accounting policies adopted which have been applied consistently throughout the current and preceding year are set out below.

The financial statements have been prepared on a going concern basis under the historical cost convention and are presented in pounds sterling because that is the currency of the primary economic environment in which the company operates.

Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

The financial statements contain information about Greensands (UK) Limited as an individual company and do not contain consolidated financial information as the parent of subsidiary companies. The company is exempt under Section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of the ultimate holding company, Greensands Holdings Limited. The group financial statements of Greensands Holdings Limited are available to the public and can be obtained from the Southern Water website.

As permitted by FRS 101, the company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a statement of cash flows, financial instruments, standards not yet effective and related party transactions. Where required, equivalent disclosures are given in the group financial statements of Greensands Holdings Limited.

##### Adoption of new and revised accounting and financial reporting standards

This is the first set of the company's annual financial statements where IFRS 15 'Revenue from Contracts with Customers' and IFRS 9 'Financial Instruments' have been applied.

There was no material impact resulting from the application of these standards.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)

**1 Accounting policies (continued)**

**Going concern**

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Greensands Holdings Limited. The directors have received confirmation that Greensands Holdings Limited intends to support the company for at least one year after these financial statements are signed.

**Related party disclosure**

The company has taken advantage of the exemption under FRS 101 paragraph 8(j) from the requirements of IAS 24, 'Related party disclosures', on the grounds that it is a wholly owned subsidiary of a group headed by Greensands Holdings Limited, whose financial statements are publicly available from the address in note 13.

**Investments**

Investments held as non-current assets are stated at cost, less provision, if appropriate, for any impairment in value other than a temporary impairment in value. The carrying values of non-current asset investments are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable. Interest income is accrued on a daily basis. Dividends and other investment income is accounted for when it becomes receivable.

**Financial instruments**

The company has adopted IFRS 9 'Financial Instruments' from 1 April 2018.

IFRS 9 introduces new requirements for 1) the classification and measurement of financial assets and financial liabilities, 2) impairment for financial assets and 3) general hedge accounting. There was no material impact resulting from the application of this standard.

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

**Financial assets**

**(i) Loans receivable**

Loans receivable that have fixed or determinable payments that are not quoted in an active market are classified as 'held to collect'. Loans receivable are measured at fair value on initial recognition and subsequently measured at amortised cost using the effective interest method, less any impairment. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

**(ii) Impairment of financial assets**

All debt type financial assets which are not measured at FVTPL are assessed for impairment at each reporting date using a forward looking approach by identifying expected credit losses ('ECL's). ECLs are defined as the difference between the contractual cash flows that are due in accordance with the contract and the cash flows that the company expected to receive, discounted at the original effective interest rate.

**(iii) Derecognition of financial assets**

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. On derecognition of a financial asset the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)

**1 Accounting Policies (continued)**

**Financial liabilities**

**(i) Financial liabilities and equity**

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

**(ii) Other financial liabilities**

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**(iii) Derecognition of financial liabilities**

The company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or they expire.

**Taxation**

The taxation charge in the income statement represents the sum of the tax currently payable and deferred tax.

Current taxation is based on the profit for the year as adjusted for disallowable and non-taxable items and items of income or expense which are taxable or deductible in other years. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the statement of financial position date.

Deferred taxation is tax expected to be payable on temporary differences between the treatment of certain items for taxation and accounting purposes. Deferred taxation is provided on all temporary differences that have originated but not reversed by the end of the reporting period. It is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the statement of financial position date.

Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is regarded as probable that taxable profits will be available against which deductible temporary differences can be utilised. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

**Interest income, interest payable and similar income and expenses**

Interest income, interest payable and similar income and expenses are recognised on an accruals basis.

## GREENSANDS (UK) LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)

#### 2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, which are described in note 1 above, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### Critical judgements in applying the company's accounting policies

The directors believe that there are currently no critical judgements applied in the preparation of the financial statements that the company is required to disclose apart from those involving estimations, which are dealt with separately below.

#### Key sources of estimation uncertainty

The following are the key sources of estimation uncertainty at the reporting period end that may have a risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year:

- (i) Impairment  
Impairment is recognised in the income statement when there is evidence that the value of an investment is higher than the recoverable amount. Recoverable amount is the lower of, value in use or net realisable value. An impairment review requires management to make subjective judgements regarding the recoverable amount of the investment under review. In determining the investment's recoverable amount, the Directors take into account current and expected regulated returns and these are subject to ongoing review and negotiation. An impairment loss of £574.0m has been recognised during the year, please see note 6 for further details

#### 3 Employee information

During the year the company had no employees (2018: None).

The services of the directors are deemed to be wholly attributable to their services to Greensands Holdings Limited, with only two directors receiving payment for their services in the year to Greensands Holdings Limited. The total sum has been recorded in the consolidated financial statements of Greensands Holdings Limited, which are available to the public and can be obtained from the Southern Water website ([www.southernwater.co.uk](http://www.southernwater.co.uk)). Therefore, the directors received no emoluments during the year or the prior year in respect of their services to the company.

#### 4 Finance income

	2019 £m	2018 £m
Interest receivable from group companies	<u>134.0</u>	<u>119.4</u>

#### 5 Finance costs

	2019 £m	2018 £m
Interest payable to group companies	<u>(134.0)</u>	<u>(119.4)</u>

**GREENSANDS (UK) LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)**

**6 Impairment losses**

	2019 £m	2018 £m
Impairment loss on investments	1.0	-
Impairment loss on financial assets	573.0	-
	574.0	-

At the reporting date the company has conducted an impairment review based on the consideration of the overall value of the Greensands Finance Holdings group. A comparison has been made between the Regulatory Capital Value (RCV) of Southern Water Services, as the operating company, to the value of investments held in the group at various consolidation levels moving all the way up to the ultimate controlling parent, Greensands Holdings Ltd.

In order to undertake the impairment assessment, judgement has been made regarding the level of premium to RCV that is appropriate to consider. Typically this reflects historic transactions within the water industry and reviewing the market capitalisation of listed water companies, which have fallen. Additionally, with continued political uncertainty and the performance of Southern Water relative to its peers a lower level of premium has been used in assessing the impairment.

Having taken into account the above and a negative reserves position held in the Greensands Junior Finance Ltd group, the directors believe that the company's investment in Greensands Junior Finance Ltd (GSJF) of £1.0m is fully impaired, along with £573.0m in relation to its intercompany receivable balance with GSJF. Therefore, a total impairment loss of £574.0m has been recognised in the income statement for the year.

The value of impairment will continue to be reviewed annually to see whether the impairments remain or whether there are indications of an improvement in the position, for example an increase in the likely premium to RCV achievable at Southern Water. Should there be an improvement; values for the reduction in impairment would be written back.

**7 Loss before taxation**

In 2019 and 2018 financial statement audit fees of £1,000 were borne by Greensands Holdings Limited and not recharged to the company.

**8 Tax on loss**

No UK tax charge arises in respect of the profit on ordinary activities for the year (2018: £nil).

No deferred tax arose during the year to 31 March 2019 (2018: £nil).

The tax charge for the year can be reconciled to the income statement as follows:

	2019 £m	2018 £m
<b>Loss before taxation</b>	<b>(574.0)</b>	-
UK corporation tax rate at 19% on loss for the year (2018: 19%)	(109.1)	-
Permanent differences arising on impairment loss	109.1	-
<b>Total tax for year</b>	<b>-</b>	<b>-</b>

**Factors that may affect future tax charges**

A reduction in the main rate of corporation tax to 17% from the 1 April 2020 was enacted in the Finance Act 2016.

## GREENSANDS (UK) LIMITED

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GREENSANDS (UK) LIMITED FOR THE YEAR ENDED 31 MARCH 2019

#### Report on the audit of the financial statements

##### Opinion

In our opinion the financial statements of Greensands (UK) Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the income statement;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 14.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

##### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## GREENSANDS (UK) LIMITED

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GREENSANDS (UK) LIMITED FOR THE YEAR ENDED 31 MARCH 2019 (continued)

#### Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

#### Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### Report on other legal and regulatory requirements

##### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

## GREENSANDS (UK) LIMITED

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GREENSANDS (UK) LIMITED FOR THE YEAR ENDED 31 MARCH 2019 (continued)

#### Matters on which we are required to report by exception

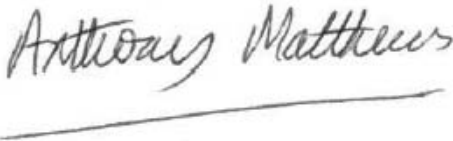

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.
