

NAV Sewer Connection Notification Form

This form should be completed as confirmation that the sewer connections requested in the New Appointments and Variations (NAV) Bulk Service Application Form for the NAV site specified on this form are ready for inspection and approval.

Please complete the form in full and submit it to the Southern Water Developer Services department via the NAV email inbox newappointments@southernwater.co.uk when the connection is ready for inspection and approval.

Applicant Details

Supporting Documentation

Please provide the following supporting documents if they were not included as part of the original NAV Bulk Service Application:

- Copies of the drainage layout plan at 1:100 (or larger), showing location of sewers and manholes on site and up to the connection point
- Copy of planning consent
- Site location plan at 1:1250 (or larger)

Checklist:

- Site boundary clearly shown
- Roads clearly shown
- Adjacent buildings clearly shown
- Private pipe run to Southern Water network clearly shown

Declaration

Failure to complete this form in full and provide relevant information will result in it being returned or refused.

By signing this form, you are not automatically granted permission to connect.

Under no circumstances must any person enter the public sewerage system without the express permission of Southern Water.

I confirm to the best of my knowledge that the information I have supplied is complete and correct.
