

Notification of commencement of water connections for self-lay schemes

This form must be sent to our county assistant project manager 10 days prior to any planned service connections being carried out. Service connections can only be made once the 'Installation of Plumbing Systems and Water Fittings' form has been submitted, consent granted, and the service trench has been inspected and passed by a Southern Water Inspector.

Agreement reference (eight digits):

Commencement of service laying

Date installation of plumbing systems and water fittings consent granted:

Date trench inspection required:

Date service laying will commence for the plots detailed below:

Plot number	Postal address	Supply pipe size? (63mm or above requires a bacteriological sample)	Are the connections to an onsite or offsite main?

Name:

Date:

If you have any queries about this form, please contact us by phone on **0330 303 0119** between 9am and 5pm, Monday to Friday, or email selflay@southernwater.co.uk.

Please return completed forms by email to the Southern Water Assistant Project Manager for the relevant county.
