

STATUTORY NOTICE OF APPLICATION FOR DROUGHT ORDER PROHIBITION OR LIMITATION ON THE USE OF WATER

SOUTHERN WATER SERVICES LIMITED

SECTIONS 73 AND 74(2)(b) AND SCHEDULE 8 OF THE WATER RESOURCES ACT 1991

TAKE NOTICE that due to the threat of a serious deficiency in supplies of water within the affected area, caused by an exceptional shortage of rainfall, Southern Water Services Limited of Southern House, Yeoman Road, Worthing, West Sussex BN13 3NX ("Southern Water") is applying to the Secretary of State for Environment, Food and Rural Affairs for a Drought Order under sections 73 and 74(2)(b) of the Water Resources Act 1991.

The affected area includes all Southern Water Supply Areas of Hampshire and in the Isle of Wight Supply Area as defined in Southern Water's drought plan. The affected area is also indicated on the map accompanying this notice.

The Drought Order is necessary to manage the demand for water in order to meet the deficiency of supplies of water in the area. The uses of water which can be prohibited or limited under the Drought Order are those prescribed by the Secretary of State in The Drought Direction 2011. The Direction can be found here: [The Drought Direction 2011 - GOV.UK](#)

These activities are in addition to the activities covered by the Temporary Use Ban which will be in place from 21 July 2025 for domestic customers in this area. Further details on Southern Water's Temporary Use Ban in the area may be found: [Temporary Use Bans \(TUBs\) - Southern Water](#)

This notice and further details concerning the prohibitions and current drought and water efficiency advice may be found on Southern Water's website here: [Drought Plan – Southern Water](#)

Thank you for your support at this important time.

The proposed Drought Order will allow Southern Water to prohibit or limit the use of water within the area referred to for any of the following purposes:

- Purpose 1: Watering outdoor plants on commercial premises using a hosepipe;
- Purpose 2: Filling or maintaining a non-domestic swimming or paddling pool;
- Purpose 3: Filling or maintaining a pond;
- Purpose 4: Operating a mechanical vehicle-washer;
- Purpose 5: Cleaning any vehicle, boat, aircraft or railway rolling stock using a hosepipe;
- Purpose 6: Cleaning of any exterior part of a non-domestic building or a non-domestic wall using a hosepipe;
- Purpose 7: Cleaning a window of a non-domestic building using a hosepipe;
- Purpose 8: Cleaning industrial plant using a hosepipe;
- Purpose 9: Suppressing dust using a hosepipe; and

Purpose 10: Operating a cistern in any building that is unoccupied and closed.

The following definitions apply:

- “Commercial Premises” means any land, building or other structure which is not used principally as a dwelling;
- “Health or Safety Reasons” means removing or minimizing risk to human or animal health or safety; and preventing or controlling the spread of causative agents of disease;
- “Hosepipe” includes anything designed, adapted or used to serve the same purpose as a hosepipe. The prohibitions apply whether or not any device is attached to the hosepipe, such as a sprinkler for example;
- “National Plant Collection” means a plant collection which is part of Plant Heritage (formerly the National Council for the Conservation of Plants and Gardens’ National Plant Collection scheme);
- “Non-domestic building” means a building or any other structure which is not principally used as a dwelling;
- “Temporary garden or flower display” means a display at a show or exhibition for no longer than 7 days; and
- “Using a hosepipe” includes drawing water supplied by Southern Water through a hosepipe from a container and filling a container with water supplied by Southern Water by means of a hosepipe.

Applicable definitions may be found in:

- The Drought Direction 2011, which is available at: [The Drought Direction 2011 - GOV.UK](#)
- The Water Use (Temporary Bans) Order 2010, which is available at: [The Water Use \(Temporary Bans\) Order 2010](#)

Non-Statutory Common Exceptions

Customers who meet the criteria below for a Non-Statutory Common Exception can continue to use water without having to make representation to receive permission to use

water for the following restricted uses. It is requested that customers that meet the requirements for a Non-Statutory Common Exception use water wisely and adopt water efficient practices.

The criteria for a Non-Statutory Common Exception include, for example:

- Use of a hosepipe by individuals who are either registered on Southern Water Services Limited's Priority Services Register, are a Blue Badge holder or WaterSure customer, and who have mobility or health conditions that prevent them from using a watering can or bucket.

Restricted uses that would be exempt under this Non-Statutory Common Exception:

- Purpose 1: Watering outdoor plants on commercial premises
- Purpose 2: Filling or maintaining a non-domestic swimming or paddling pool
- Purpose 4: Operating a mechanical vehicle-washer
- Purpose 5: Cleaning any vehicle, boat, aircraft or railway rolling stock
- Purpose 6: Cleaning non-domestic premises
- Purpose 7: Cleaning a window of a non-domestic building
- Purpose 8: Cleaning industrial plant
- Purpose 9: Suppressing dust
- Purpose 10: Operating cisterns

"Blue Badge" means a current valid Blue Badge issued by the relevant Local Authority in accordance with the Disabled Persons (Badges for Motor Vehicles) (England) Regulations 2000 (SI 2000/682) and Section 21 of the Chronically Sick and Disabled Persons Act 1970 (as amended).

Non-Statutory Bespoke Exceptions

Customers can make representation to Southern Water Services Limited to receive a Non-Statutory Bespoke Exception to use water for a restricted use. If permission for a Non-Statutory Bespoke Exception is given, it is requested that customers use water wisely and adopt water efficient practices.

A full list of events considered to be Non-Statutory Bespoke Exceptions will be published on the Southern Water website here: [Drought Plan – Southern Water](#)

Southern Water follows a phased approach to reduce demand in the event of a drought. A full explanation of drought triggers and proposed actions may be found in Southern Water's Drought Plan 2019 which is available here: [Drought Plan – Southern Water](#)

Please note that the Non-Statutory Bespoke Exceptions (including exceptions relating to the Temporary Use Bans which will be in place from 21 July 2025) may change based on whether drought conditions worsen and in accordance with the phased approach in Southern Water's Drought Plan.

A full list of the statutory exceptions may be found in The Drought Direction 2011, which is available here: [The Drought Direction 2011 - GOV.UK](#) and on the Southern Water website here: [Temporary Use Bans \(TUBs\) - Southern Water](#)
